Event Details

- **Food & Beverage**

All food and beverages shall be supplied and prepared by Puerta as contracted. No client nor his/her guests may bring or remove any food or beverage from the event without prior written approval by The Puerta. This includes desserts and wines, which are each subject to an outside food and corkage fee. A custom menu will be printed for all events. Due to health department regulations, no other food can be brought into the restaurant.

- **Menu Selection**

Private event food menus are curated uniquely for each event. You may also review our full list of cocktails, wine, and beer available for your event. All alcohol is billed based on consumption. The options for bar availability are as follows: Fully Hosted, Partially Hosted (i.e.: host covers limited menu), or Cash Bar (sales will go towards total minimum spend.) Should you prefer a customized menu, our team would be happy to work with you to create that as well at no additional fee. All final menu selections must be made 14 days prior to the event, in order to guarantee product availability as well as menu printing.

Event Details

- **Decorations**

We encourage guests to decorate the space for their event to make it their own. We are able to facilitate different linen colors, table cloths, candles, etc, for an additional fee. Restrictions: No helium balloons and/or streamers are allowed, unless added to the event agreement by Puerta, brought in by a licensed company, securely placed, and removed immediately after the conclusion of the event. Glitter, confetti, rice, flower petals and bubbles, etc are prohibited. All candles must be enclosed - tea lights, votives, or floating candles are allowed. Puerta prohibits pillar and taper candles not enclosed in glass. Failure to comply with these rules will result in a minimum \$250 cleanup/damage fee. Clients should make arrangements to remove any personal property and décor at the conclusion of the event as we are unable to hold items and we are not responsible for any vendor equipment or personal property left on the premises.

- **Final Guest Count**

Final guest counts must be received 14 days prior to the event. You will be billed the specified food and beverage minimum OR the guaranteed number plus any additional meals served, whichever is more.
